

# Increase Profit with Disinfection Services

Breezy Blue™ Smart Disinfecting Fogger

Upsell additional services to new and existing customers.

Simple and easy to operate, disinfecting a house in less than 5 minutes.

Removes odors and >99.9% of germs so customers are healthier and feel safer in their homes and at work.

"Disinfection became an official addition to our regular cleaning services after we saw the potential of Breezy Blue™ to keep our local communities healthy. This new service produced a net profit of \$1,199.57 per month in the first few months, which makes it a great avenue for growing our business."
